REPORT OF THE LEGAL CONFERENCE FOR 1910.

We submit the following report: The rent from the Bynum Plantation has brought in Seven Hundred and Fifty Dollars. The usual interest on the Moore and McLeRoy funds amounting to One Hundred and Fifty-two Dollars and Eighty Cents.

In April at a called meeting it was decided to sell the timber on four hundred and fifty acres for $5,000.00 cash. The purchaser was given four years to cut the timber, and agrees to pay the taxes on the land and timber during the term of the contract. After paying the usual commission to the real estate dealer the $4,750.00 was securely invested at eight per cent interest payable annually, and yielded this year $144.50.

We have already closed a trade to be completed January 14th, 1910, whereby the timber on 1300 acres will be sold for $11,000.00; one-third cash, the balance payable in three annual installments with seven per cent interest, payable on the first of December each year till paid in full. The purchaser to be allowed seven years to remove the timber, and contracting to pay all taxes on the land and timber until all the timber is removed.

We gratefully report the bequest of Brother Robert Babington of Franklington, La., who directs in his will that Two Thousand Dollars be invested and the interest equally divided, one-half to be devoted to mission work in Washington Parish under the direction of the Board of Missions of the Annual Conference, and the other half to be devoted to the Conference Claimants. This sum has been invested and brings in eight per cent annually, the amount from this source for this year is $42.08, turned over to the Board of Missions and the Joint Board of Finance.

From present arrangements we hope to report next year a larger amount from the Bynum Estate, more than has accrued for the last four years.

Respectfully submitted,

S. S. KEENER, President,

Louisiana Annual Conference, M. E. C., South.

Whereas, there are many places in which Mission Schools should be organized;

Therefore, we earnestly call your attention to Section V, paragraph 244 of our Discipline, as follows: "Let Sunday Schools be fromed in all our congregations, where ten persons can be collected for that purpose; and let mission schools be formed wherever practicable."

After prayerful consideration your board, pursuant to Section V, paragraph No. 249 of the Discipline, which reads: "The Sunday School Board of each Annual Conference shall be authorized to employ a Sunday School Field Secretary," etc., have unanimously decided to place a man in the field, who shall be known as Sunday School Missionary, who shall work under the direction of the members of this board and presiding elders in each district.

He shall assist the pastor in developing workers to strengthen the weak schools, organize a school in every Methodist congregation where there is no school and organize mission schools wherever practicable.

N. E. Joyner presented the report of the Committee on Nominations. S. S. Keener moved that the report be recommitted and that the Committee be instructed that in the nominations for the quadrennian boards no names be duplicated.

J. D. Harper moved that the motion to recommit be laid on the table.

The motion to table was lost by a division of 62 to 30.

The motion to recommit prevailed.

The following resolution was passed:

RESOLVED, That this Conference instruct all Boards and Committees to make reports to the Conference at the earliest possible time in order that said reports may receive due consideration.

(Signed) C. C. MILLER,
F. N. PARKER.

S. H. Werlein read the following paper, which was adopted:

New Orleans has become one of the great centers of the United States. Its drives, its magnificent hotels, its great auditoriums, and the public spirit of its citizens, conspire to make it a suitable place for great conventions representative of the enterprise and controlling force of the American people. It is the greatest

city of the Southwest and exerts a powerful influence upon the thought and standards which obtain in that section.

The holding of the General Conference of the Southern Methodist Church in this city would give to our branch of Methodism a prominence which is essential to our more rapid growth and development. It is also important that the attention of the entire church be fixed upon the work and possibility in New Orleans;

Therefore, be it resolved that the Bishop now presiding at the Louisiana Conference appoint a committee of three to get into correspondence with the proper authorities relative to securing and holding the next General Conference in New Orleans.

N. E. JOYNER,

REPORT OF THE BOARD OF EDUCATION.

R. H. Wynn presented the report of the Board of Education, which was adopted as follows:

Your Board of Education respectfully submits the following report:

I. GENERAL BOARD.

The General Board of Education reports that substantial advance has been made during the last quadrennium in our educational work. We have now nine colleges which report more than $100,000 endowment; five which report more than $200,00; two which report more than $300,000, and one (namely, Trinity College) which reports more than $500,000.

Vanderbilt University reports $1,500,000.

The work of the Board has been carried on for four years under the general name of Educational Extension. During this time, a yearly average of $32,316 was raised under the regular assessments, an advance of 240 per cent upon the yearly average of the preceding quadrennium. An additional amount of $1,650 was realized as the result of the special Educational Extension Foundation started a year ago.

Five schools owned by the Colored Methodist Episcopal Church, were aided to the extent of $14,587.00. Twelve of our schools in "pioneer and less favored communities were aided to the extent of $8,700.

The Homer Industrial School belonging to the Colored M. E. Church has been placed on the list for an appropriation, provided this Annual Conference approves the application.

The last General Conference has raised the annual assessment upon the church from $50,000 to $95,000. Of the increased amount, the Board is authorized to apply $20,000 to the Biblical Department of Vanderbilt University; $25,000 at its own

discretion, and the remainder as heretofore. The amount apportioned to this Conference is $2,109.00.

II. CORRESPONDENCE SCHOOL.

The Correspondence School, which is an institution supported by the General Board and affiliated with Vanderbilt University Biblical Department, has had a successful year, from seven hundred to one thousand students having been enrolled, and practically every English-speaking Conference being represented. The remarkable statement is reported that one-third of the active pastors in our church have taken courses in this school. The school is giving attention to the matter of ministerial supply, and attention is called to paragraph 140 of the new Discipline which makes it the duty of preachers in charge to report names and addresses of all candidates for the ministry to the Annual Conference Board of Education, which in turn shall report these names to the General Board.

III. SEASHORE DIVINITY SCHOOL.

The Seashore Divinity School proved to be a great success in its second session, the attendance being almost three times as large as that of the first session. Nineteen men were registered from its Louisiana Conference.

In this school lectures are delivered daily by eminent specialists that bear upon the preacher's study and work.

It also provides class work, both for those who have finished the Conference course of study and those who are undergraduates. The latter are instructed by men from the Conference Committees of Examination, and written examinations are given. Dr. F. N. Parker is now dean of the school in place of Dr. W. B. Murrah, elected Bishop.

We recommend that each Conference Committee call his committee together to select one of their number to serve in the faculty of the school, said name to be given to the Dean, Dr. F. N. Parker.

We also recommend that the committees be instructed to accept the certificates of the school in place of further examination at Conference.

Vacancies in the Board of Directors are filled by the Board subject to the ratification of the Conference. On account of the vacancy occurring by the transfer of Dr. J. H. Rice, we elect W. H. Coleman is his place until the vancancy is otherwise filled.

We approve the request of the Directors that Presiding Elders and Preachers in Charge begin to plan to attend the next session and make no conflicting engagements.

We regret that on account of urgent pledges which we are unable fully to redeem, we are utterly unable to make any appropriation to the school for the expenses of this session.

IV. CENTENARY COLLEGE.

We have had under consideration the report of Dr. Felix R. Hill, President of Centenary College and that of Mr. P. M. Welsh, President of the Board of Trustees of the same institution. We rejoice in the excellent work being done there, and the fine spirit existing in the faculty and the student body. We learn that there were ten mniisterial students in attendance, and a little over one hundred students in all. The attendance could at once be increased to 125 or 130 if the means were at hand to assist needy students who are ready to come if a little help could be given them. The President desires to create a loan fund to assist in such cases, and we believe that money could not be better expended than in helping this fund.

We commend the fact that the Bible is regularly taught in the course of study.

One of the greatest needs of the institution is for a College building proper, so that we could accommodate the students who should be in attendance. May

not some wealthy man be found who will provide the means to erect this building and place the College on a firm basis?

We deeply deplore the ill health and final death which deprived us of the efficient services of the late lamented Dr. Weber, and we congratulate the church on the fact that so efficient a successor has been secured in the person of Dr. Felix R. Hill, in whose hands the institution is enjoying prosperity fully equal to the opportunity afforded by its equipment.

We recommend that the election of A. J. Murff and S. C. Fullilove as Trustees, be confirmed.

V. MANSFIELD COLLEGE.

Your Board regrets that there is no improvement in the financial situation at this honored institution, but that instead the condition has grown steadily worse and that unless help is immediately at hand, this school will have to close its doors. Unless $4,500.00 can be secured for its pressing needs, the Board of Trustees intimate the closing of the chool at the close of the present term. To some, such would be a great calamity, and to all a great reflection on our Methodism.

The local members of the Board have been faithful and have pledged their personal credit to carry it thus far this year. We all recognize the necessity of this school in developing the religious and church life of our young womanhood. Can not we also recognize the necessity of sacrifice, if need be, and need there is, on our part to put this school where it can do the work we regard as necessary?

This is the time for us to do, shall we not do? It is surely a pity that an opportunity fraught with such possibilities for helpfulness to the great work of bringing in the kingdom should be unimproved because of our indifference and lack of liberality?

The Board of Trustee of Manfield College were elected as follows:

CLERICAL—T. J. Warlick, H. R. Singleton, J. B. Williams, N. E. Joyner, R. W. Vaughan, R. H. Harper, A. G. Shankle, M. C. Holt, W. R. Harvell, S. S. Keener, B. H. Sheppard.

LAY: D. G. Petty, J. L. Logan, W. A. Nabors, N. W. Williams, T. E. Smith, H. T. Liverman, C. W. Blair, C. B. Hicks, J. G. Palmer, W. D. Wadley, Eugene Joyner, J. T. Lawrence, J. T. Nelson.

We regret that Rev. Briscoe Carter was unable to collect the claim allowed him at the last Conference as balance due him on salary earned while Commissioner of Education, owing to the fact that the money from which he expected to realize a settlement was a specially directed fund. We are unable to make any appropration for his relief, but recommend that from year to year after the pledges to Centenary and Mansfield of $2,800 have been met, he be allowed what remains until his claim of $440 with six per cent interest from date December 9, 1910, be paid.

The assessment for Conference Education the next year is $5,500.

We have appropriated sixteen hundred dollars to Centenary College, and $1,093.50 to Mansfield College to meet the interest due on mortgage notes.

We recommend that the second Sunday in April be named as Mansfield College Day, and that preachers in charge be instructed to take collection on that day.

We recommend that the Bishop appoint Rev. Thos. Carter and H. B. Carre, Professors in Vanderbilt University; Rev. S. J. Davis, Professor in Centenary College Dr. Felix R. Hill, President of Centenary College; H. N. Harrison, Professor in Mansfield College; D. C. Barr, Superintendent of Louisiana State Training School.

We recommend that T. J. Holliday be appointed as student in Centenary College.

Respectfully submitted,
S. S. KEENER, Chairman.

S. S. Keener reported that there had been been paid by the members of the Conference on notes to the Superannuate Endowment Fund on notes $377.75, and by charges $25.00.

S. S. Keener moved that the first Sunday in May be designated as Superannuates Endowment Day, and that on that day, or as near thereto as possible, each pastor present the cause of the endowment fund to each of his congregations, and that a sum be collected equal to one per cent of the pastor's salary.

S. H. Werlein moved to amend by substituting an assessment of one per cent. The amendment was lost and the original motion prevailed.

J. T. Sawyer spoke as a matter of personal privilege and asked that his name be referred to the Committee on Conference Relations for the supernumerary relation.

On motion the name of Dr. Sawyer was referred as requested.

Question 8—Who are received from other churches as traveling preachers?—was called.

J. B. Blackman, in elders orders in the Methodist Protestant Church made application through the Presiding Elder of the Ruston District. On motion his orders were recognized on condition of his compliance with the Disciplinary requirements, and he was received in full connection and placed in the class of the first year.

F. N. Parker moved that in view of the fact that the beloved and eminent C. W. Carter is entering the fiftieth year of his itirerant ministry, he be requested to preach the next session of the Conference a semi-centennial sermon.

The motion was carried by a rising vote.

P. O. Lowery presented Report No. 1 of the Board of Church Extension. Rev. J. D. Harper addressed the Conference on the subject of Church Extension.

S. S. Keener moved that the report be amended by striking out the provision for a loan fund of 25 per cent of the annual collection for Conference appropriation.

The previous question having been ordered on motion of S. S. Keener, the report as amended was adopted, as follows:

BOARD OF CHURCH EXTENSION REPORT NO. 1.

Dr. McMurray brings to us an encouraging report from the Parent Board of Church Extensions, showing an increase of $5,976.00 in receipts from assessments over any previous year, the total receipts for last year being $155,875.00. There was contributed to the loan fund $40,588.00, which was $20,701.00 over the previous year. In our own Conference we received on assessments $2,382.00 this year as against $2,126 last, but for the $1,191.00, our pro rata for appropriation in our Conference, we were asked $3,050.00. Thus is seen the imperative need for devising some plan of increasing our income, and we must appeal to our presiding elders and pastors to give careful heed to looking after the Church Extension collections.

The last General Conference transferred the work of parsonage building from the Women's Home Mission Society to the Board of Church Extension, and thereafter one-fifth of the receipts on assessments will be used in parsonage building, and blanks for application have been prepared.

The Sunday School Loan Fund will be hereafter used for equipping Sunday School departments of our churches.

The General Board has provided for handling loan funds of the several annual Conferences, and urges us where the desired ends can be attained to loan rather than donate our money, but your Board does not recommend concurrence.

Your Board has also adopted the plan of requiring refunding bonds for all $100.00 donations and over.

The apportionments for next year are as follows:

Alexandria District	$ 730.00
Baton Rouge District	830.00
Lafayette District	830.00
Monroe District	610.00
Ruston District	830.00
New Orleans District	820.00
Shreveport District	900.00
Total	$5,550.00

P. O. LOWERY, Secretary.

The following resolution was passed:

Resolved, That the College of Bishops be hereby requested to set the date for holding our Conference not later than the first Wednesday in December, if possible.

(Signed) BRISCOE CARTER,
M. C. HOLT.

S. S. Keener moved that when we adjourn we adjourn to meet at 2:30 o'clock this afternoon. The motion prevailed.

Rev. J. C. Cox, Pastor of the Baptist Church of Homer was introduced to the Conference.

Question 6—Who are received by transfer from other Conferences?—was called.

The Bishop reported the transfer of H. B. Perritt from the Florida Conference, A. H. Parker from the Texas Conference, G. E. Cameron from the Texas Conference and F. A. Downs from the Pacific Conference.

Announcements were made and after singing the Doxology and receiving the Benediction Conference adjourned.

Question 18—Who are located this year?—was called.

W. T. Woodward, at his own request, made in writing through his presiding elder, was granted an honorable location.

Question 19—Who are supernumerary?—was resumed.

John T. Sawyer being recommended therefor by the Committee on Conference Relations, was granted a supernumerary relation?

Question 47—Who is elected Conference Leader?—was called.

R. T. McClendon, being nominated by the laymen of the Conference, was elected Conference Leader.

On nomination of J. M. Henry, seconded by N. E. Joyner, Robert W. Vaughan, was elected Editor of the Minutes for the coming quadrennium.

W. H. Coleman made an announcement with reference to railroad arrangements.

REPORT OF COMMITTEE ON SABBATH OBSERVANCE.

The report of the Sabbath Observance Committee was submitted by J. F. Foster and adopted as follows:

The Sabbath and its observance is a question of the utmost importance and one that no nation or people can afford to treat slightingly or pass over. Its observance is not a law or command of human origin but divine, being promulgated by the Father himself, being one of the ten commandments given of God to the world by the great law-giver of the Jews, Moses, the leader of the Israelites. Its observance was of great moment in the divine thought that the prestige and example of the Father Himself are given it, for it is written, that the in the creation the Creator Himself ''rested on the Sabbath day and hallowed it.'' To-day the civilized nations of the world acknowledge its importance as a day of rest and realize that it is not only a command of a religious origin, but embodies a fundamental law of man's physical well-being. The legislative bodies of the land, both State and National, have awakened to its importance and are passing laws to protect mankind and save to them this day as a day of rest and relaxation. The labor organizations likewise are alert and are claiming protection for the members of their unions to assure to the working man his Sabbath's rest. But while this is so with reference to the physical side of the question, are we as church-members and does the world in general, recognize that there is another side to this question and that the purpose of the day was not only for bodily benefits but for other purposes of even more far reaching results, namely, the moral and spiritual. It was to be pre-eminently a day of worship. We fear that this part of the Divine

purpose is being forgotten in part and that man is using the day for earthly rather than spiritual ends. We would that it were otherwise but so it is, and we Americans are rapidly drifting away from our moorings and adopting the European idea and shall shortly have forgotten the good old American Sabbath of our fathers. Your committee feel that one of the explanations of the glorious inheritance which is ours nationally grows out of and is the result of the American Sabbath, its hallowed associations, and uplifting and restraining influences. History goes to prove that as is the Sabbath of a nation so is the nation. It is the citadel of a nation's strength and we cannot afford to allow its hallowed purpose to be forgotten. The day is now upon us in which if something be not done to protect it the Sabbath will cease to have the hold upon the conscience and thought of our public that it is designed to have and exert, and we as a church should not only place ourselves on record as in full sympathy with its full spirit but should do all that we can both by example and preaching from the pulpit, to bring back the thought of the people to the true idea of the Sabbath and to realize that it is the day set apart from the usual vocations of life for rest and the worship of God. We should urge our people to abstain from all unnecessary work, from traveling on trains for business or pleasure, making a marked difference in it from other days, and we should use our influence to discourage all such desecrations as Sunday base ball and the Sunday demoralizing picture shows, and should also use our influence with city authorities to prohibit such law, we should urge our people not to make the day the day pre-eminent of the week for social life and to urge them to return in thought and living to its true spirit.

All ministers, as the teachers of the people and the ones to whom the people look for example, should be very careful of their acts and become leaders by word and practice in restoring the sanctity and hallowedness of our holy Sabbath day. And we recommend the following being in line with the action of the late General Conference at Ashville in which they request the church to raise the sum of five thousand dollars for the Sunday League of America as a memorial of the lamented Bishop Duncan's services in behalf of the Sabbath, that we contribute the sum of one hundred and forty dollars to the fund thus purposed by our churches to be apportioned to the various districts of our Conference in equal amounts, making only an assessment of only twenty dollars to the district.

We further recommend that the second Sunday of January, 1911, shall be fixed as "Sunday League Day," this being the day to be nationally observed, and where inconvenient to be observed so soon as possible, requesting every pastor to preach on said Sabbath on the importance of this movement and at the close of service to take this collection, sending the amount promptly to the "Sunday League of America," Fort Worth, Texas. This league will furnish all pastors with all the necessary information concerning their work should they wish same for use in their sermons. In bringing in this recommendation, we are moved to do so in response to the request of our General Conference.

Respectfully submitted,

JNO. F. FOSTER,
For Committee.

REPORT OF COMMITTEE ON TEMPERANCE.

The report of the Committee on Temperance was presented by J. M. Alford, and adopted as follows:

One has said that the greatest question of the hour, politically, socially and ecclesiastically, is what shall we do with the liquor traffic? But to our mind the question is not what shall we do with it, but how can we destroy it?

For many years we, as a church, have studied the saloon problem of the State and have from time to time passed resolutions expressive of our disapproval of the rum trade, and realizing that its sale can never be licensed without sin, we have put on record our protst, and have gone down in history as a prohibition Church.

Hitherto we have been dealing too much in theory and not enough in practice. As no theory is worth anything which fails to procure practical results, we must institute an aggressive movement, which will mean a real, live, effective and positive opposition to this giant evil! And to do this we must have some well defined policy.

We rejoice to know there is decidedly a growing sentiment among our people against the use of alcohol in any form. We note with gratitude that the International Sunday School Committee for years past, has so arranged it that our children are taught the evils of intemperance, at least four Sundays in the year. We also observe with pleasure that both our Nashville and New Orleans Advocates and our Epworth Era, with no uncertain sound, are teaching the principles of temperance, not only as regards the individual but are pronouncedly waging a warfare against the traffic as a whole, thus creating prohibition sentiment among our people.

We recommend that our pastors preach on this subject at least once a year to each congregation in his charge. We cannot fail to pray, preach, work, and vote against this vice without forfeiting our right to be called the representatives of Christ, and without the danger of being accused of complicity with this infamous, nefarious business.

The time has come when we must work, not only on the defense, but in aggressive battle array we must attack the entrenched forces of this arch-enemy of peace and prosperity, ever remembering the words of the Apostle Paul, "Have no fellowship with the unfruitful works of darkness, but rather reprove them." Thus let us march out in conquest of freedom, and with victory perched on our banners we will redeem our land from this awful curse and save the people for Christ, our King! With the thirty-five thousand Methodists, and that many, or perhaps more Baptists, with the combined forces of all the other evangelical churches in the State we can drive the enemy from the field of battle.

It is simply to repeat well-known truisms to say the saloon is the most deadly foe to human progress; the greatest enemy to American civilization, and the most potent factor in the hands of satan in robbing heaven, polluting earth and populating hell. Our work, as a church in this great struggle for the right, has been slow and we are at a great disadvantage because the political machinery of the country is largely in the hands of the saloon element. And it is often true that wherever we have succeeded in legislating against this vice the administration being unfavorable to the law fail to execute same, thus making it ineffective.

What we need now is more fervent prayer, well directed effort and rightly guided zeal. We should recognize the great work of temperance reform as an imperative demand, an obligation placed upon us from which we cannot be absolved without neglecting a known duty. Hence, we stand for State-wide prohibition and recommend TOTAL ABSTAINANCE! We believe in the principles of the Anti-saloon League of the State and pledge our support and co-operation, in so far as is possible for us to adopt its methods, and in common with all the allied forces of the temperance cause, in this and other States, cherish the fond hope that our country and State shall soon be freed from the last vestige of the baneful influence of the Common Enemy!

The report of the Orphan's Home Board wasc presented by L. N. Hoffpauir, and adopted as follows:

To the Bishop and Members of the Louisiana Conference:

We, your Board, beg leave to make the following report: That this has been a very successful year for the orphanage, our Superintendent has made a successful canvass of the Conference during the year and has raised more than $14,000.00 and

with just such a man in the field another year, our Orphangae will be in a good condition.

We recommend the appointment of R. W. Vaughan as Field Secretary and T. D. Lipiscomb, as Manager of the Orphanage during the year 1911 and recommend the appointment of Briscoe Carter, R. H. Winn and R. O. Randle, Esq., to fill vacancy on Board of Directors.

We also submit the report from the Board of Directors, as follows:

To the Louisiana Annual Conference of the Methodist Episcopal Church, South:

The Board of Directors of the Louisiana Methoddist Orphanage beg leave to submit the following report for the current year:

We now have forty-six children in the institution, with six more soon to arrive. Most of them attend school regularly during the week, and Sunday School and Church on Sundays. They are a healthy, hardy and happy looking lot of children, and we are doing everything that is possible for us to do for their spiritual, moral, mental and physical welfare. We have had eighty-seven children in the institution during the past two years. A few have left of their own accord, and for others we have found homes in good, private families.

During the past year our Superintendent, by his own efforts and by the assistance of paid help, has raised the sum of $13,187.03. This money has been expended as follows: For the maintenance of the Superintendent's department, including his salary, $1,841.69; paid solicitor of funds for the institution, $740.93; salary of Matrons and cost of labor, $945.85; maintenance of the home, $2,608.26; building, improvements and insurance, $976.58; paid for live-stock, $210.00; paid on indebtedness, $5,428.36. This leaves us with a balance of $515.36 on hand of this year's receipts.

The Superintendent has grown on the land on which the home is situated a great variety of food crops this year. The table of the home was kept bountifully supplied with good, wholesome vegetables during the entire vegetable season, and much has been preserved for winter use. He has also gathered and housed over 200 bushels of corn, and an ample supply of potatoes and hay. He has nineteen head of hogs, which will supply the home with the greater portion of its necessary meat and lard another year; and he has three good milk cows and four fine heifer calves, which will amply supply the home with all necessary milk and butter in a year or two more. We have also a good mule for the use of the place.

With two more as successful years as this has been we will pay off every dollar of our indebtedness, maintain the home and have a comfortable balance to our credit in bank. The management and conduct of the institution during the past two years has been wholly satisfactory to the Board; and could the existing status quo continue unchanged for two years more we are confident we would have our indebtedness settled and the institution established upon a sound financial basis and in a prosperous condition.

Respectfully submitted,
S. D. PEARCE,
President of Board of Directors.

J. M. Henry presented the report of the Board of Missions, which was adopted as follows:

To the Bishop and the Members of the Louisiana Conference:

Brethren: Communications from the Secretary of the Board of Missions and from the Corresponding Secretary of the Woman's Foreign Missionary Society of the Louisiana Conference, and also the Sixty-fourth Annual Report of the Board of Missions, were refrred to us. We have considered these communications, and have given careful attention to the mission work of the Conference.

Dr. W. W. Pinson, General Secretary, in a communication to the Louisiana Conference, says:

We have just passed through a remarkable missionary quadrennium, in which the whole of Christendom has come to a more united, more determined, and more intelligent attitude toward the problems of missions than ever before. The past

year will go down as a historic year in missionary annals. The wonderful campaign of the Laymen's Missionary Movement in the United States and Canada that so stirred the pulse of the Church; the Congresses held by the Laymen at Toronto and Chicago; the Student Volunteer Convention at Rochester, with its powerful appeal to student life and its heartening pledge of re-inforements; and to crown all, the unique and wonderful gathering at Edinburgh with its many tongues and its new Pentecost—these stamp the past year as the most memorable missionary year in all history.

We face the new quadrennium better organized and equipped than ever for our share in the great task. The uniting of the three Mission Boards into one by action of the last General Conference puts us in the front rank for the compactness and solidarity of our missionary organization and secures increased economy and efficiency both in funds and forces. In spite of some misgivings the new arrangement is moving with most gratifying smoothness and harmony toward complete adjustment. Patience, prayer, and a supreme purpose to promote the common cause will in time resolve all the difficulties involved.

The revised Constitution with its clearer departmental divisions and definitions will conduce to greater ease and thoroughness of administration. We began the last quadrennium with one hundred and sixty-eight missionaries in the field including those of the Woman's Board, and closed it with two hundred and eight. These figures do not include the wives of missionaries. The membership in mission fields increased from 17,633 to 25,210. The increase of income from all sources for the quadrennium over the preceding quadrennium foots up a total of $987,084. The income for the last year of the quadrennium just closed exceeded the income of the last year of the preceding quadrennium by $257,765.

In spite of this increase and in spite of all our efforts to economize, the expenditure has been greater each year than the income. This has grown out of the fact that the growth of the work and the almost irresistable demands and opportunities have outstripped the liberality of our people; and also this further fact, that it is easier to pledge a special than to pay it and easier to expect it than to collect it. The specials have swelled our income greatly and should by no means be discouraged. However, we must look to increasing the regular income in order to maintain a safe relation between the advance movements and the base of supplies.

The income from all sources for the past year was $881,520. Of this amount, $181,078 was from specials and other sources. The increase on assessment account, not including Woman's Board, was $5,476. The increase on specials account was $25,919. This indicates the necessity of a larger regular income, since every new advance made without a corresponding increase in the sum available for the annual appropriations either demands retrenchment at some point or creates a deficit. We bespeak the patience and sympathetic co-operation of our brethren in our purpose to handle these matters with some such courage as is consistent with safe financial limits and with all the caution consistent with wholesome and permanent progress.

The Every-Member Campaign has proven an efficient method of increasing the regular collection. Almost three hundred thousand copies of the literature were ordered by our pastors. By its use a number of Churches have gone beyond the average of $2.00 a member and others have increased their missionary contribution to a sum double and quadruple what it was before.

The Board of Missions at its last annual meeting voted to increase the apportionment to the Annual Conferences for foreign missions from $385,000 to $500,000. This was not meant to indicate the measure of our needs, our ability, or our duty. It is not a standard for liberality, but a danger signal to indifference and illiberality, the minimum below which none can afford to fall.

The Department of Home Missions has surveyed its feild, defined its policy, and by its contribution to the strengthening of the evangelizing forces has demonstrated both the wisdom and the necessity for a connectional Home Mission policy. The needs have been made increasingly evident and increasingly urgent. An assessment of $50,000 was asked by the Board for this Department to be raised in conjunction with the Domestic Mission Assessment in the Conferences. This again

is not a measure of what is needed, and should not tempt any Conference or congregation to slacken local efforts, but should be rather an encouragement to increased diligence and liberality.

The proposal to establish a mission in Africa met a hearty and unanimous approval by the Board and has been received with much enthusiasm by the Church at large. The pledge of co-operation on the part of the colored Methodist Episcopal Church, and the offer of its most distinguished member, Professor J. W. Gilbert, for pioneer service in the Dark Continent are encouraging features of this movement. This is a purpose long cherished and a duty too long delayed, and one to which we are pledged by a thousand sacred traditions.

The policy that commends itself for the present quadrennium, in the light of all the facts, and in the working out of which we earnestly solicit your patient and prayerful co-operation, is as follows:

1. A more thorough cultivation of the Home Base and the more complete enlistment of the whole church in giving the gospel to the whole world. This involves the making of evangelization at home and abroad the central theme and primary aim of the Church.

2. The improvement, better adaptation, and wider circulation of missionary literature.

3. The making mission study and missionary giving indigenous in the Church, as essential to a full gospel, a sound Christian character, and consistent Christian conduct.

4. To co-operate with the Laymen's Missionary Movement in realizing their inspiring ideal, "a missionary committee in every Church, a contribution from every member and a sum equal to an average of $2.00 per capita in every congregation."

5. The strengthening and better equipment of existing mission stations and institutions rather than the establishment of new ones.

6. The immediate strengthening of our evangelistic force on the fields, a larger emphasis on evangelistic methods and agencies, and the securing of a larger and better trained force of native workers.

7. Such an adjustment for specials to current expenses and fixed policies as neither to hamper progress on the one hand nor create financial embarrassment on the other.

Finally, the work before us is too great and too difficult for anything short of the combined sympathy and support of the whole Church, and far too great and difficult even for that without the power of Him who is "Head over all things to the Church." It is "not by might, nor by power, but by my Spirit, saith the Lord of hosts." Let a cry to the Lord of the harvest go up from every Church, closet, and family altar for wisdom, courage, and the power in which alone is victory.

We desire to call especial attention to the following items:

First: The urgent need for an immediate and large increase in the regular income of the Board, not for advance movements, but to properly maintain the work already begun and hold the ground already won. Retrenchment or retreat is inevitable unless there is more money to appropriate. Such a misfortune is not to be contemplated much less tolerated.

Second: The means of increasing the regular income is at hand. It is the Every Member Canvass. This method of enlisting every member and securing a contribution every week will easily increase the missionary income. We would earnestly urge that it be introduced into every congregation.

Third: The Sunday School is a great missionary force for the present and the future. What can be done with it and through it can scarcely be estimated. The Sunday School Board and the Board of Missions have jointly adopted an admirable missionary policy for the Sunday School, the execution of which is committed to the Educational Department of the Board of Missions. Please give emphasis to this and urge the co-operation of every pastor.

Fourth: A new missionary magazine will be issued in January, 1911. It will take the place of Go Forward, The Woman's Misionary Advocate and Our Homes.

Its price will be fifty cents a year. It will be made equal to the best denominational magazines. Please see that it is pushed as it deserves.

Fifth: The Missionary Leader's Conference and the Mid-Winter Institute will be held at the Methodist Training School, December 28th to January 5th, the Institute running the entire time and the Leader's Conference beginning on the 3rd and closing on the 5th of January. The Training School is in a most prosperous condition. Recent improvements put it in better shape than ever for handling these meetings. We greatly desire the attendance of Presiding Elders at the Leader's Conference. We need their counsel and co-operation. We hope you will do what you can to secure their presence this year.

Your missionary assessment for 1910-11 is as follows: Foreign missions, $11,000; Home missions, $1,110; this last to be added to your assessment for Conference missions as per Article 24 of the Constitution of the Board of Missions.

The amounts received from the Auditing Board for Foreign Missions is $5,099; for Domestic Missions, $4,948; for the French Mission by anniversay collection, $150.; for specials, which were directed, $639.80; making a total of $10,836.85.

P. O. LOWERY, Secretary.

The Report of the Epworth League Board was presented by P. O. Lowrey and adopted as follows:

Dear Brethren of the Conference:

Since our General Conference launched the Epworth League and made it an organic part of our Church force in May, 1890, at St. Louis, the process of developing workable plans and an adequate literature has gone steadily and aggressively forward, and we are pleased to learn from the General Secretary that there are now 145,091 members in the 4,067 chapters, being an increase for the quadrennium of 20,000 members. The Junior Leagues now number 1,813 and there are thirty-seven Boy's Leagues.

But the greatest results are not tabulated in figures but are the spiritual and useful powers of the young people of the Church, numbers of whom have been led to become trained officials, ministers and missionaries of the Church.

We are glad to announce to the Conference that we now have City Unions in New Orleans and Shreveport; District Organizations in the Shreveport and Lafayette Districts, and State League Conference to help them in bringing their young people into this school of training for present activities and for future usefulness. We count on your hearty co-operation and sympathetic encouragement in the work of these and of such further organizations and movements as they may put on foot.

We feel honored that one of our number has been elected General Secretary of the Epworth League work of our Southern Methodism, and with double assurance can commend the Epworth Era edited by him to our pastors, League workers and young people, and bespeak for it a large subscription list in our Conference.

The Epworth League work is our work, its needs are imperative, and our young people have a right to expect us in loyal obedience to the plans of our legislative representatives to organize them, teach them, encourage them, and lead them. Twelve months hence what shall our answer be?

P. O. LOWREY.

Question 2—Who remain on trial?—was called.

H. N. Brown moved that the action of the Conference by which J. E. Craig had been discontinued be reconsidered. The motion prevailed.

Not having been before the Committee of Examination, his character was passed and he was continued on trial in the class of the second year.

W. W. Holmes presented the Report of the Bible Society Board, Rev. J. J. Morgan addressed the Conference on the work of the Society, and Rev. M. Hebert spoke to the Report.

The Report was adopted as follows:

To the President and Members of the Louisiana Conference:

Dear Brethren: We, your Board on the Bible cause, beg to submit the following report:

We find an increasing interest in the work of distributing the Bible amongst the foreigner and destitute whites within the bounds of our Conference and there is every possible reason for giving liberally, both of our time and means, to the American Bible Society which so greatly aids us in this work.

We note with pleasure the appointment of Rev. J. J. Morgan, a brother of the North Texas Conference, as Secretary of the Southwestern Agency, and commend him to your esteem and confidence. He informs us that $10,500 was appropriated this year for the work in his district, which includes Louisiana, Oklahoma, Arkansas, and Texas, and that about one-third of this amount, something over $3,000 was spent in Louisiana this year.

Out of 62,000 homes visited, 22,000 were found to be without the Bible. Three colporteurs are maintained on regular salary, one among the Italians and two among the French.

We are gratified to note the successful completion of the Sage Endowment Fund, but are reminded that only the interest on this is available for use by the

Ameircan Bible Society, and the increasing enlargement of the work of the Society call for a continuance of the support of the Church.

We recommend for the support of the American Bible Society an assessment of $800, the same to be distributed as follows:

1.	Alexandria District	$115.00
2.	Baton Rouge District	115.00
3.	Lafayette District	116.00
4.	Monroe District	68.00
5.	New Orleans District	154.00
6.	Ruston District	116.00
7.	Shreveport District	116.00

Respectfully submitted,
H. O. WHITE, President,
W. W. HOLMES, Secty. Conference Bible Board.

The following preamble and resolutions were presented by J. G. Snelling, and adopted:

Whereas, The Board of Directors of the State Fair Association of Shreveport, La., opened the gates of the Fair on Sunday, November 6, 1910, having advertised it extensively as "THE BIG DAY," and having used every means to secure a large attendance on that day, the operation of the Fair on Sunday was a violation of agreement entered into by the Board of Directors before the First Annual Fair was held in Shreveport, 1905. This agreement was made as an act of the Board of Directors in order to secure appropriation for the Fair from the State legislature; that the appropriation secured was of a permanent character, was so understood by the ministers of Shreveport, the other party to the agreement, and was not questioned by the Board of Directors until an explanation of the direct action in violating it was requested.

This Sunday opening of the Fair has worked an injury in that it makes the State an active party in the desecration of the day which to the Christian population, is a Christian institution.

In view of these facts this resolution most earnestly protests against the action of the Board of Directors of the Sunday opening of the State Fair, which gives the sanction of the State in the desecration of the Sabbath.

We call upon our Christian people and Church to manifest their disapproval until they have satisfactory assurance of the future policy of the Board of Directors to respect the Christian Sabbath.

J. G. SNELLING.

REPORT ON CHURCH PUBLICATIONS.

The Report of the Committee on Church Publications was presented by A. I. Townsley and adopted as follows:

Dear Brethren: Since the New Orleans Christian Advocate, has been commended by the unanimous vote of this Annual Conference, it does not need any additional endorsement of your Committee on Church Publications. We are glad to observe that the circulation of the paper is steadily increasing, and that so many of the pastors have canvassed their congregations for this purpose. We congratulate the publisher and editor on their promise to print the Advocate on a better quality of paper.

Our general correctional organ, "The (Nashville) Christian Advocate," is worthy of our support. Dr. T. N. Ivey is giving us a paper ably edited, containing discussions on the live and current issues of our Church.

The Methodist Quarterly Review, edited by Dr. Gross Alexander, is easily equal to any journal of its character published in this country. Not long ago we heard the

dean of the school of theology of University of Chicago, Prof. Shailer Mathews, make this remarkable statement: "Of all the theological and literary periodicals that come to my desk, I always read that of the Methodist Quarterly Review first."

So far as we know, our Sunday School literature is meeting the need in our Church, and was never more ably edited than now.

We congratulate our General Board of Missions on their promise to give us a larger missionary periodical than the "Go Forward." This will fill a long felt need in our Church.

We are glad to note that the columns of the Epworth Era contain more matter of a distinctly religious nature and that the editors are endeavoring to make the paper of more practical value to the Epworth League.

We recommend the lection of N. E. Joyner, J. M. Henry and W. W. Drake as members of the Publishing Committee for New Orleans Christian Advocate.

(Signed) F. R. HILL, Chairman,
A. INMAN TOWNSLEY, Secretary.

C. A. Battle presented the Report of the Minister's Education Aid Association, which was received and ordered to record as follows:

The Minister's Education Aid Association begs leave to submit the following report:

We live in an age of educational advancement. There are more students in our public schools and colleges than ever before. This makes it imperative that we have an educated ministry.

It often happens that a young man by the aid of a small loan is enabled to go through college and become an efficient, trained minister. It is the policy of this Association to loan money to worthy young men and thus assist them through college. A number of young men have been helped since the organization of this Association in 1894. During the past year, D. L. Griffin, student at Centenary College, and W. V. Falcom, student at the L. S. U., have been assisted.

For the next year, the Treasurer will pay out all funds received to students at Centenary College upon the recommendation of Dr. F. R. Hill.

Officers for the ensuing year have been elected as follows: President, M. C. Holt; Vice-President, W. H. Colman; Secretary, C. A. Battle; Treasurer, H. R. Singleton; Executive Committee, F. N. Parker, R. H. Wynn, J. F. Foster.

M. C. HOLT, President,
C. A. BATTLE, Secretary.

H. N. Brown presented Report No. 2 of the Sunday School Board, which was adopted as follows:

Your Sunday School Board submits its report as follows:

Whereas, within the bounds of our Conference is found the greatest field in Southern Methodism for Home Missionary activity,

And, whereas, our Discipline emphasizes the observance in each Sunday School of a monthly missionary day,

Now, therefore, we urge the pastors to see to it that each Sunday School there is appointed or elected a Missionary Superintendent.

That we heartily recommend the needs of our field be brought to our Sunday School in concrete facts;

That we request the Missionary Boards to furnish such information to all of the schools.

As proof of results of this policy we call your attention to the Lafayette District where the needs of the French Mission were placed before the Sunday Schools, the missionary offerings were greatly increased.

We call attention to the fact that during the past year we have had a loss of 1,636 Sunday School scholars, and urge that all our pastors, Sunday School officials and lay leaders co-operate with our Sunday School Missionary, Rev. P. O. Lowrey,

who has been employed by the Board to give his entire time to the work of organizing schools, training workers and building up the Sunday School work in the rural districts.

Our Sunday School literature is not excelled by the publications of any denomination. The Board heartily endorses the graded courses of Sunday School lessons for the Benginner's, Primary and Junior grades now in the second year and the Intermediate grade in the first year course; in October, 1911, the first year of the Advance grade will be ready for use, with these, adapted as they are to the needs of the pupils in each stage of his development; you will be greatly helped toward doing your best work.

The provision made by our Sunday School Editor for a department in the magazine for the study of home problems, and in the The Adult Student, for class problem, meets with our unqualified approval.

Looking to the federation of all adult classes in the Methodist Episcopal Church, South, the General Confernce, in May, provided for the Wesley Adult Bible Class Department. The General Sunday School Board has formulated a Constitution for Wesley Classes, organized for the training ofChristian character for Christian service, in the extension of Christ's kingdom, by means of Bible study, mutual helpfulness, and social followship.

We earnestly recommend that all classes enroll in the Department, that there may be unity of policy and action in this movement, that seeks to gather men and women together in Bible study and send them out in helpful service.

For information concerning the Department and the work of organized classes, address Rev. Charles D. Bulla, 810 Broadway, Nashville, Tennessee.

We appreciate the very valuable services of the Louisiana Sunday School Association in its work presented through its institutes and conventions, and urge our workers to attend.

We request the Presiding Elders to give some place in their District Conference programs to the consideration of the Sunday School.

We are renewing our order for Sunday School literature for the use of the prisoners in our State prisons.

We call attention to the Summer Training School to be held June 8-15, 1911, at Centenary College, Shreveport, its purpose being to serve Northwest Louisiana, Southwest Arkansas and East Texas Sunday School workers.

We requese the Bishop to appoint P. O. Lowrey Sunday School Missionary with the understanding that he is to give his entire time to the Sunday School work.

(Signed) J. I. HOFFPAUIR, Chairman.

Memoirs

MEMOIR OF W. L. WEBER.

Dr. William Landen Weber, was a native of South Carolina. He was the son of an honored and devoted Methodist preacher. His maternal, as well as paternal ancestors, were loyal Methodists. Dr. Weber was educated at Wafford College, Spartanburg, South Carolina, and after finishing the course and taking his degree, pursued a post-graduate course, at Johns-Hopkins University, Baltimore. From John-Hopkins, he went to Georgetown, Texas, where he taught in the South-western University. From Georgetown, he came to Millsaps College, Jackson, Miss., where he was a most efficient and successful teacher. After some years' service at Millsaps, he was called to the chair of English, at Emory College, Oxford, Georgia. Here, with ripening experience, his work was recognized as being of a high order, and he was classed among the best teachers of English literature in the entire cuntry. For nine years he labored continuously at Emory. In September, 1907, he was elected President of Centenary College, Shreveport, La. He entered upon this great work, with untiring zeal and devotedness. The institution was dear to his heart. He labored faithfully and effectively, toward organizing and building up the school, and continued in this work until the utter failure of his health, compelled him to retire from the Presidency in February, 1909. It was hoped in the spring and summer following that there was permanent improvement in his health; so that he came in response to the urgent call of the trustees of Mansfield Female College, to take charge of that important school. But with the beginning of the fall term of 1910-11, it was evident that he could work no more.

He entered into everlasting rest, October 1, 1910.

Just before leaving John-Hopkins in 1891, he was married to Miss Bessie Wilson, daughter of Bishop A. W. Wilson, at Baltimore. Mrs. Weber survives her lamented husband; and with her are two sons and a daughter.

Dr. Weber was a cultured, lovable, Christian gentleman. He endeared himself to the preachers and layment of the Louisiana Conference, and he had, and always retained, a strong hold upon the confidence and affection of his students. He loved his church, and sat as a lay delegate in the recent General Conference at Ashville. It seems sad that his earthly work should end, while he was yet in the early prime of his manhood; yet we bow to the will of God, and thank God for the assurance we have that this good and true man did not live and labor in vain. Let us treasure up in affection's urn, the memory of his virtues, and cherish the good hope of meeting him in heaven.

F. R. HILL.

Since we as pastors are called to "comfort my people" saith the Lord, and no sympathy is so genuine as that born of the same experience of grief with those whom we would comfort, Christ himself being "a man of sorrows and acquainted with grief." that he might succor those who are tempted, we should not, brethren, expect to be exempt from the common sorrows of life, and in time we in common with those of our membership must "pass though deep waters." And while we are devoutly thankful that our pastors have all been spared for another year to the Church militant, still we have cause for grief and brotherly sorrow in that the homes and lives of some of our brethren in the ministry have been overshadowed in greif. Such is the experience of our brother, H. W. Ledbetter, whose life has been saddened in the death of a devoted wife, a sketch of whose life is appended.

MRS. W. H. LEDBETTER.

Mrs. Willie Mattie K. Ledbetter, wife of our pastor at Colfax, La., died in the triumph of a Christian faith at the Colfax parsonage August 13, 1910, and was

buried by Rev. P. M. Brown at Simmsboro, La. She was born in Webster parish, near Minden, La., May 3, 1874, and was married to H. W. Ledbetter June 24, 1894, and was the mother of three children—Bessie, Blanche and Willard. Bessie died nine years ago, leaving two little ones to bless and be comforted by their father. At the time of their marriage Sister Ledbetter was a member of the Baptist Church, but when her husband was recommended for admission into the Methodist ministry she thought it best to join with him, which she did after attending meeting conducted by Brothers Sheppard and Barr, and her walk was ever as becometh a saint, being extremely modest and rarely beautiful, with her conversation always seasoned with love. Through a long sickness, in which her body wasted away from consumption, and while her life was sinking out of time into eternity, she was ever conscious of the Lord's presence, and left many beautiful evidences of assurance of His sustaining grace. On the fourth Sunday in May, when she had her first hard spell, after which she was unable to leave the house, in the presence of her husband and a friend, she testified that she had a vision of angels, so beautiful that she only wished those with her might be present to see them, too. At least at one other time she seemed to have been allowed to look into the faces of these heavenly messengers, and never once gave expresion to any fear of death. Once she awoke repeating the 14th chapter of John. When she saw that a further fight for life was useless she was deliberate in her directions as to where she wished to be buried, how she was to be dressed, and that she wanted "Nearer, My God to Thee" and "There Will Be No More Goodbys in Heaven," songs that she had often sung for others, sung at her funeral; and just a few hours before she passed away she took her ring from her finger and give it to her husband, with directions for its disposal. She was a faithful and worthy preacher's wife making many friends and drawing all closer to Christ, and an unselfish mother, whose life was full of sacrifices for her loved ones. And, although she was cut off in young womanhood and rests from her earthly labors, her works do follow her, and her memory to many is precious. But it is more for our bereaved brother pastor and for the motherless children that we think than for the saintly ones from whom all sighing and sorrow has fled; and we assure him that he does not weep alone, and that, when all others may have forgotten him, the inner brotherhood of pastors shall still be found doing a brother's part.

We also remember in love our aged brother, J. M. Brown, in the death of his dutiful and beautiful Christian daughter, Miss Della, who through her life was her father's faithful co-worker in his pastoral labors; and Brother S. D. Howard in the death of a son who had just turned into a hopeful young manhood; and for Brothers R. W. Vaughan and C. B. Powell in the untimely deaths of sweet little babes, buds that were plucked to bloom in heaven 'ere sin could blight them, called to the bosom of the Chief Shepherd who said "of such is the kingdom of heaven."

Brethren we love you and your burden is our burden, and while we do not understand these sorrows now, some day we shall know even also as we are known. "God is in the heavens, all's right with the world."

P. O. LOWREY.

REV. J. M. BEARD, D.D.

James M. Beard was born in North Mississippi, September 30th, 1847, and died in New Orleans, October 9th, 1910. He began preaching in the Memphis Conference in early manhood, but located and studied law at Mount Lebanon, Tenn. After practicing law for a short time he returned to the ministry, and came into the Louisiana Conference in December, 1877. During the Civil War he served in Forest's Cavalry.

While in the service of the Louisiana Conference he served most acceptably many charges, among them Mansfield, Alexandria, Algiers, Moreau Street, Rayne Memorial and Felicity Street, New Iberia and the Crowley District.

A number of years ago he withdrew from the Methodist Episcopal Church, South, and entered the ministry of the Methodist Protestant Church. In this

Church he served several appointments, and was at one time President of the Conference. After a few years he returned to the fellowship of the Church of his first love. I have never doubted the sincerity of his motives in going from us and returning to us. During these years our friendship continued unbroken and my confidence in Dr. Beard's piety and consecration was undiminished.

Dr Beard was a man of wide information. He read generously, and had a very retentive memory. His preaching was marked by originality of thought and a peculiar individuality of style. His views were the result of mature deliberation and tenaciously held.

Socially, he was a most genial companion; he had a fine vein of quiet humor which he often injected into his conversation. His estimates of men and affairs were always interesting and generally sagacious.

His personal religious life seemed to be a continuous experience of faith and peace. His public prayers were pervaded with a genuine spiritual power. At times he would converse upon the great facts of the inner religious life with fervor and true spiritual insight. He was an excellent pastor, diligent and sympathetic in working with his people. Steadfacst in labors, unblemished in character, humble and sincere in his relations towards God and man, he lived his life in the light of genuine convictions and sustained by the faith he was ever ready to confess.

The end came suddenly, but he needed no warning. His preparation was made long ago. His life-long desire to know more perfectly the things of God is realized now. He knows even as he has been known. That which is in part is done away; that which is perfect has dawned upon his free spirit in the life of perfect fellowship in the presence of his God and ours.

F. N. PARKER.

The H. & S. Library

The purpose of this library is to provide books of unquestioned worth at a price sufficiently low to enable the slenderest purse to afford books hitherto denied on account of price.

In all instances it is possible to supply only limited editions of the various titles.

From time to time the list will be renewed by the addition or substitution of similarly worthy books.

The character of the making of these books is such as to commend them to the most dignified and select library.

50c Does the Duty of $1.25, $1.50 & $2.00

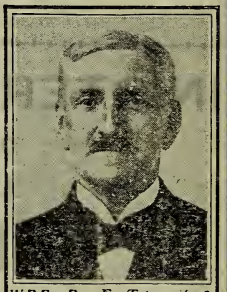
To Any Minister

For months we have been telling the ministers of the United States—**yes, of the entire world**—through the columns of the various religious publications of the entire country, about the new Fox Visible Typewriter, **and of our special offer to ministers.** Replies from these advertisements have been received from every corner of this country—and from a large number of foreign countries—and hundreds upon hundreds of ministers have taken advantage of our Mr. W. R. Fox's most unusual—and exceedingly liberal—proposition, and have become the possessors of the new Fox Visible Typewriters.

If there is one typewriter more than another **that a minister should not buy,** it is one of the cheap "rebuilt to sell" typewriters that are being advertised at from $15 to $50. Beware of the "Syndicates" and "Sales Co.'s"—they do not manufacture but deal in second hand and rebuilt typewriters—**old models that the manufacturers can not sell.** There is only one typewriter that should be considered by any minister, and that is **THE BEST.** Your work entitles you to this, and, furthermore, the best is always the cheapest in the end.

Will You Let Mr. Fox Help You Buy a Typewriter?

As a minister, and a business man, we appeal to you not to purchase any typewriter, at any price, nor from anyone, no matter how flattering the proposition may seem to you, until you have given us an opportunity to send you for inspection and trial a new Fox Visible Typewriter. This we will do at our own expense—**will not even ask you to pay the express charges**—and you will not be under the slightest obligation to purchase our typewriter after trial **unless you wish to do so.**



W. R. Fox, Pres. Fox Typewriter Co.

After trial if you wish to purchase our typewriter—**on Mr. Fox's special proposition**—you can pay us a little down and the balance at the rate of **20 cents a day**—no payments to be made on Sundays or Holidays.

WILL YOU DO THIS? We feel that this is **"your chance of a lifetime"**—it may be your **one** and **only** chance. Will you let us help you to come to such a wise decision that there will be no after regret—no financial loss—on your part? If so, fill out the following coupon and mail it today—**do it now before you forget it.** Address our Mr. W. R. Fox personally.

DEAR SIR.

Please send me a copy of your catalog and write me your special offer to ministers on the new Fox Visible Typewriter. It is distinctly understood that the signing of this coupon does not in any way obligate me to purchase, and that no typewriter is to be sent me unless I decide later to order one for free trial.
